

## Save Money On Your Natural Gas and Electric Bill

### Guaranteed 7% Savings Program For NJ PSE&G & NJ Natural Gas Commercial Gas Customers

Effective March through the November 2023 meter read.

- ▶ PGP Energy has an energy supplier that will offer commercial customers in NJ a variable rate guaranteed to be 7% below the monthly rate offered by PSE&G and NJ Natural Gas company from March through the November 2023 meter read date. This program is for firm commercial accounts only, interruptible accounts and residential accounts are excluded.
- ▶ After the initial guaranteed savings period, accounts can either lock into a fixed price or go back to the utility.
- ▶ A customer can convert to a fixed price deal at any time during the guaranteed savings period.
- ▶ Customers can cancel the agreement at any time without a penalty.
- ▶ You can earn residual income on all sales and add additional value to your relationships. Also, a great way to get new business!
- ▶ There is no downside risk to this program at all.
