If you wish to have an AmeriFlex Convenience Card® issued for a spouse or dependent, please be sure your spouse or dependent meets the IRS eligibility guidelines below:

1. For federal tax purposes, a "spouse" is defined as, ". . . a person of the opposite sex who is a husband or wife." Same sex domestic partners are not considered spouses for purposes of FSA administration. A person residing in the employee's home, who the employee provides over half of their support, who is not the employee's spouse, under applicable state law and is not a family member, is considered a dependent under Internal Revenue Code 152.
2. For federal tax purposes, a "dependent" includes any relative of the participant for whom the participant provides over half of their support for the calendar year. "Relative" includes children, parents, stepchildren, stepparents, siblings, aunts, uncles, cousins, and in-laws of the participant. Relatives do not need to reside with the participant in order to be dependents, nor do they need to be of a certain age or infirmity; they need only to be persons for whom the participant has provided over half of their support.
